Hahnemann University
Philadelphia, PA

B.A., Animal Physiology
University of California, San Diego

SUMMARY OF EXPERIENCE

Dr. Lizer is a Fellow of the American Academy of Pediatrics and was named “Best Pediatrician” for 2007 by the Glendale News Press “Foothills’ Best.”

He enjoys talking about childhood allergies, asthma and a variety of pediatric healthcare topics, and has been a featured speaker at schools, hospitals, and community events.

ON A PERSONAL NOTE

Dr. Lizer joined Descanso Pediatrics after he and his wife decided they’d like to live in the Crescenta Valley. Their two children attend the excellent local public schools.

Dr. Lizer is happy to share his time and expertise with community groups. He has served on the board of the Down Syndrome Association of Los Angeles and is a current board member of the Crescenta-Cañada YMCA.

In addition, he serves as the volunteer Director of Camp Health Centers for the L.A. Metro YMCA resident camps in Big Bear and Mammoth.

In his spare time, he enjoys family activities, travel, backpacking, fishing, and golf.

Someday, he’d like to earn a seat at the final table at the World Series of Poker!
